Utilize your creativity to manifest your personal intention. Work in the spirit of the laws of attraction to visualize the life of your dreams. Follow the journey of twelve artists, each who will set a personal dream or intention. Witness the process that each artist takes, as they create a mixed-media piece that sows the seeds of their intention. Step-by-step techniques for a variety of mixed-media processes accompany each piece of finished art. Read about how their lives changed as a result and learn how to set intentions of your own using the bonus tear-out "dream-prompt" cards.
