Did you know the first 60 minutes of your day is crucial? You don't have to have days with zero productivity, zero undertakings, and zero victories. You can carve out the life you want by starting your day with Jesus and Coffee. Life can become chaotic and demanding at times, but did you know that one simple thought can focus and align your heart for the rest of the day? One simple thought can empower you to have unstoppable faith and shape your life for greatness.

Author and educator Tony Warrick presents 30 inspiring Christian devotionals that will encourage you and help you overcome unwanted thoughts. This book will speak to your heart, help you pursue your dreams, create change, and bring the unconditional love and hope of Jesus to a messy and challenging day. In these pages you'll discover...

- Powerful scriptures to meditate on
- Short devotionals which offers reassurance, wisdom, and the motivation
- Prayers to KICK-START a conversation with God Even if, like Tony, you have experienced seasons of defeat and discouragement, you can start living your best life now, one day at a time, with Jesus' relent love and a cup of coffee.
