A BWWM Billionaire Romance Story Adalia is has to make a choice between maintaining her independence or taking an easier path. How will she decide which path to take? \*\*\*Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only\*\*\* Adalia is broken after a keen betrayal and the loss of her lifelong dream: her very own bakery. But she has to carry on, especially now that she's back living under her father's roof and has her semi-abusive ex-boyfriend's advances to contend with. She's determined to continue baking, even if she has to work at the local market for the rest of her days, but she can't shake thoughts of Trent and what happened between them. She's consumed by her need to be with him, though she doesn't want the pain, so when he comes back into her life, offering more than she's willing to take, Adalia is presented with a choice: continue working towards her goal by herself, or take him up on his offer and attain money and happiness almost instantly. Adalia has never been one to take handouts, but her father's dire financial situation isn't getting any better. The choice won't be easy, especially when that ex-boyfriend reveals a side of himself which she'd rather forget. Download the book and find out what happens.
