This book is about saving your marriage from Satan's destruction. It is a true and vivid account about one couple's struggle with witchcraft, spells, curses, and demons all attempting to dismantle their marriage and annihilate them personally. Paul was involved in an extra-marital affair with a practicing witch. Placed under a demonic love spell, which only the power of God could break, this couple found themselves in a very dark evil world of torment. But, the road back to peace was not an easy one with a very real spiritual-battle taking place for their souls. Their true story is frightening, as it is the tale of haunted people living a surreal life. However, God trained them to fight with the principles of spiritual warfare, and they teach the reader these Biblical principles, tools, and techniques for battling against the enemy of their marriage. Most Christian marriages do not reach the dark levels of evil, as the authors' marriage. Yet, they suffer from seldom-recognized demonization in their relationship, which negatively affect them and their families.

This book will show you what those tactics are, and how the enemy of your marriage uses them to subtly destroy your marriage.

This is not a book of psychology or counseling. It is a hard-core training manual for building up your marriage to fight the war raging all around you. It trains you and your spouse for a “Martial Marriage.” It will teach the both of you to become warriors in Christ.
