Random House published The Invisible Government by David Wise & Thomas Ross in 1964, exposing the role the CIA was playing in foreign policy. This included the coups in Guatemala (Operation PBSUCCESS) & Iran (Operation Ajax) & the Bay of Pigs operation. It also revealed the CIA's attempts to overthrow President Sukarno in Indonesia & the covert operations taking place in Laos & Vietnam. The CIA considered buying up its entire printing. This idea was rejected when Random House pointed out that if this happened they would print a 2nd edition The invisible government 48 hours Build-up Invasion The case of the Birmingham widows A history Burma: the innocent ambassador Indonesia: "soldiers of fortune" Laos: the pacifist warriors Vietnam: the secret war Guatemala: CIA's banana revolt The Kennedy shake-up The secret elite The National Security Agency The Defense Intelligence Agency CIA: "it's well hidden" CIA: the inner workings The search for control Purity in the Peace Corps A gray operator Missile crisis Electronic spies Black radio CIA's guano paradise-The 1960 campaign-& now A conclusion
