Naomi, the first client of the Plenty of Shift Dating Service, has been given a choice: to date Tyler, the lion shifter, or Quinn, a mysterious wolf shifter. In this volume of the Choose Your Own Sequel Series, she's picked Tyler. He's a sexy, motorcycle-riding bodyguard, and sure, that sounds enticing, but is he the right man for her? Naomi quickly discovers that he's guarded, and maybe not an ideal mate. But maybe with a little patience and care she can bring him around. After all, he's worth it.
