Paradise on earth? Why not. Our existence is precisely what we make it and by embracing the many pleasures life has to offer, we can have unlimited joy. Leo Buscaglia, who has already shown so many of us the way to more love and happiness, now offers refreshing, detailed advice on looking around us and finding delight in the simple things--in food, in flowers, in music, in dance, in books, in art, in memories, in our families, and in loving. Step onto Bus 9 with Leo and open yourself to a life-affirming journey to paradise. It's the most important trip you'll ever take.
