This is the story of Jamie and his teenage daughter Agnes. Jamie is a hustler, who, after having been roughed up by a john, meets Sebastian and his twin brother Kai. From the start it is clear, that Jamie and Sebastian belong together. And not only Jamie and Sebastian find love (and that rather quickly), but Agnes also finds a family and an uncle in Kai, who stands by her side - come what may. Love stories are never easy though.

With the reappearance of Jamie's father, old wounds are opened and with the reappearance of Rudy - Sebastian's ex-husband, new wounds arise. This story will surprise you. It may make you laugh and it may make you cry and I hope you fall in love with Jamie and Sebastian and everyone else around.

WARNING: THIS STORY IS NOT FOR THE FAINT OF HEART.
