Dangerous Hearts is a full standalone Novella with a happy-ever-after and NO CLIFFHANGER! He was my boss... I had to stop thinking about fu*king him... Nakia's hard work just paid off. The gifted fashion student just landed an internship at Kingsley Designs as personal assistant to Zachary Kingsley himself. He's an asshole and a workaholic, and the sexiest man she has ever laid eyes on... How long can she stand being so close to him? Can she learn to capture his dangerous heart?
