[Siren Ménage Everlasting: Erotic Ménage a Trois Romance, M/F/M, HEA] Jacqui doesn't want to fall for New York City slicks Will and Norm Kendall. But their cheesy pick-up lines are stealing her resolve. They remind her of her dad—a natural salesman whose business has always been more important than his only child. Will and Norm come to Lusty to decompress from their high-stress careers. They expect to relax, read, and more or zone out. They don't expect to be drawn to prickly Jacqui Bethune. The more they see her, the more they want to get to know her better. But a problem arises in the form of a former client of theirs, a man who's now wanted by the law. And he blames Will and Norm for his problems. And the closer this miscreant gets to Lusty, the more stressed out Jacqui becomes—and the more Will and Norm learn about family—Lusty Style. A Siren Erotic Romance
