Hello friends! My name is Steve. Some of you may have encountered me in the vastly diverse world of Minecraft. Throughout my years of adventure, I have crossed paths with many friends and a few foes. These diaries that I have collected are the fascinating tales that my friends have entrusted with me so that their legendary stories live on forever. Steve is a very unlucky guy who just wants to be accepted. He's a guy who does a lot of things, and is usually on the wrong end of just about anything. But Steve wants, and he demands, respect, and he wants to find out what friendship is. Well, in a chance encounter, Steve meets a new friend, a guy named Tyler. Fortunately, he's just as unlucky as Steve is, and from their first meeting, they know they will be great friends. Steve and Tyler go on adventures together, ones that are very unlucky, but they learn that when working together, they actually have more luck than when they're alone. Will the two of them be able to really have the friendship that they've always wanted? And will they be able to overcome their unluckiness despite the adversaries that might be standing in their way? Find out in this fun and friendly Minecraft diary. I hope you will deeply enjoy this adventurous story! -Steve ** For a Short Time You will get Two Bonus
