Wake up if you can! Or prepare to enter the.

.Planet of Terror! As the winner of a writing contest, you are awarded a trip to Washington, D.C.

After a long day of sightseeing, you and your father head back to your hotel, where you start to read a sci-fi novel, but instead drift off into the frightening future! Transported by Molders into 2076, you meet two brave kids.

Will you join them in the fight for planet Earth? (Turn to page 15.) Or will you choose to escape this nightmarish city? (Turn to page 86.) And will you follow a man who looks like your father, but might be a holograph? (Turn to page 119.) With over 20 nightmarish endings to choose from, the next move is yours. Are you and your futuristic friends doomed to stay on the Planet of Terror? Or will you make it back home?
