Very few actors have received the audience and critical acclaim or had the box office draw of Robert De Niro. Nominated for six Academy Awards and the recipient of two, he commands the best roles Hollywood has to offer. A virtuoso leading man in such movies as Raging Bull and Casino, he has also been outstanding in relatively minor but eye-catching roles in such works as Brazil and Greetings.

The Films of Robert De Niro is a complete, up-to-the-minute examination of his entire life and career, including such memorable movies as Copland, Cape Fear, The Deer Hunter, The Godfather Part II, and Taxi Driver. It is guaranteed to appeal to fans of an actor whose unparalleled career shows no signs of slowing down.
