What Delaney wants... ..is a baby. A baby of her own. At thirty, she longs to break away from the constraints of her life. Longs to reach out for her heart's desire. She'd prefer marriage as well, but there's no man in Dundee, Idaho, she's interested in marrying. Then one winter night she and her best friend, Rebecca, go to Boise with the intent of finding a man for Delaney. She meets a handsome stranger named Conner, a man who might be able to provide her with the solution she needs...and the baby she wants! Afterward she thinks she must have been out of her mind. But it's too late. Because she's pregnant. And because the stranger isn't a stranger anymore. Conner Armstrong is now living on a ranch just outside Dundee.
