Back Cover Blurb 'A Knotty Affair' is a story about a thirty-year-old software engineer, Viraj Sargaokar.

Born into a middle-class family that lives in the suburbs, he joins a south Bombay college, where he encounters a culture divide between him and his rich classmates.

Viraj is fascinated by a classmate Ruhi, a beautiful good-natured girl, who befriends him and treats him well, unlike the rest of his classmates. Will Viraj be able to prove his father's innocence? Will Viraj survive the rigours of college life and overcome his shortcomings? What will happen to the relationship between Ruhi and Viraj?
