Here's an incredible resource that you can use to make an incredible challenge to your students. Give them a copy of 10-Minute Moments - Smart Stuff, and ask them to give God 10 minutes a day, for one month, to see if the book of Proverbs can't make a difference in their life. In this installment of the 10-Minute Moments series, students will get short but focused daily devotions that look at the life-giving words found in Proverbs, aka "The Smart Stuff." Part devotional and part journal, it's a non-threatening way for them to crack open their Bible and start to see how God's love letter applies to their lives today.

Get 'em a copy and let God do the rest.
