Harrison Ford has been labeled one of the top 100 stars of all time, the sexiest man alive, and the highest-grossing actor in the history of film, yet he still has the appeal of an average guy to whom the common man can relate. He has worked in more than 40 films, as well as in narration roles, documentaries, award shows, and television appearances. He has won more than two dozen awards, including the Lifetime Achievement Award in 2000. This biographical and filmographic work covers Ford's personal life and career, concentrating on his efforts in the film industry. It examines in great detail more than 30 films, including American Graffiti, the several Star Wars outings, Blade Runner, The Fugitive, and Air Force One. It discusses the films' inceptions, writing, casting, sets, schedules, stunts, filming obstacles, openings, earnings, controversies, and reviews. Quotes and intimate anecdotes from the casts and crews are an added bonus. Numerous photographs, a complete film and television listing, a bibliography and index complete the work.
