Alternate Cover Edition of ASIN B00D96EDVE Arie is having a bad night but what else is new? When vampires deal with demons nothing can be expected. He heads to the Hellfire Club to report back to his sexy boss, Tessa Green, anticipating that she'll be than satisfied with the details of his night. Instead he finds a hot new hire waiting in her office. Alone in the office, she offers him an intriguing opportunity to improvise. This quick, dirty read contains profanity, voyeurism, BDSM (of the DIY variety), M/F and F/F situations. Not for the faint of heart and intended for audiences over the age of 18.
