An Omega's fire ... Charity Morning is a werewolf Omega held captive by Raze, a cruel Alpha who wants the power her mating thrall can give him. When a vision shows Charity her true mate, she flees to him. But will the cool, controlling man she finds be any better? An Alpha's strength ... Aaron Blake must prove his worthiness to become his pack's new Alpha. To claim Charity as his Omega, he must fight off the other males who want her ... and then pleasure and dominate her in bed until he earns her trust. Only then, with her true submission, will their mating be complete.

A deadly challenge ... As Aaron and Charity realize that their mating is much more than a tradition, Raze and his pack track the Omega to her new home. They want her back--at any cost. Can Aaron defeat them all, or will Charity lose him before they can confess their true feelings? Super hot read. 18+ Steaming hot love scenes and mild violence. HEA Standalone novella.
