When the family has got to eat, and there's little time to prepare a meal, and the kids are picky eaters, and you've already exhausted the week's quota for macaroni and cheese, turn here. You'll find meals tasty and easy enough to coax you beyond the familiar, boxed standbys. These recipes were submitted and tested by moms in MOPS (Mothers of Preschoolers) groups across the country. Moms on the front lines, swapping recipes they know will work for families.
