There is absolutely nothing to compare with hearing from your heavenly Father, and you are about to embark on a 365 day journey with Him. These daily readings are organized around “The Word of the Week.” By focusing on particular themes, one day builds upon the next and helps develop spiritual maturity.

Says the author, “I pray this experience will become more than a daily devotional—rather a voice from heaven that will speak to your soul, encourage your heart, and lift your spirit.”
