Danny gets a brand-new puppy, and the dinosaur can't wait to join in on the fun! What happens when you play fetch with a dinosaur or ask him to roll over? Readers first fell in love with Danny and his prehistoric pal in the I Can Read classic *Danny and the Dinosaur*, created by Syd Hoff in 1958. Now the popular pair are together again in a hilarious I Can Read adventure sure to win over a new generation of beginning readers. This is a Level One I Can Read book that is perfect for children learning to sound out words and sentences.
