Sheridan didn't believe in witches, not in 1972, not until he fell in love with Bronwynn, a dark-haired beauty in North Dallas. Then, he learned more than he wanted about the dark side of magic, witchcraft, and Satanism hidden in the underbelly of Dallas.

Follow Sheridan and other members of that Led Zeppelin generation as they self-destruct, create beautiful art, and crash against forces they don't understand, and are not ready to face.
