Art touches us. It speaks to the human spirit and inspires us to greater things. And what's greater than love? In November's Spark Magazine, you'll find romance at the museum, ballet, and library.

Sparks fly between a crystal maker and an apprentice. Opera reunites a musician with his lost love. And make sure you check out feature author Kristi Ann Hunter's historical story about a clumsy woman and the painter she dreams of. Whether you're looking for the beauty in color, joy in dance, or truth in music, you're sure to find it in this Picture Perfect issue.
