Betty Shine is a remarkable woman. Her extraordinary gifts - a clairvoyant ability to diagnose medically, her healing powers and her discovery of 'mind energy' - have made her one of Britain's foremost healers. Mind to Mind tells her story. Like Betty herself, it is cheerful, down-to-earth and full of humour. It reveals how she became aware of her gifts and how she has used her experiences of mind energy to help others. Illustrated with a wide variety of examples and case histories, this is a uniquely helpful and practical book by a woman whose powers have been a comfort and an inspiration to count numbers of people.
