\*\*\* This book title is on new release discount price, until Monday 18th of September. \*\*\* “The Victorian Gentleman’s Box Set” contains 12 newly written Victorian erotica and romance novelettes with a Gothic touch, which have been featured in the previous three book collections: Different Desire Forbidden Feelings Immoral Intentions Please note: These short stories include erotic adult themes such as: Forbidden desire, romantic liaisons, debauchery, seduction, semi-rough lovemaking, sensual erotica, and gay romance. Extracts from the stories: “He teased me, tempted me, and tormented me. I felt shivers form and felt both hot and cold at the same time, as my desire grew. I tried to continue to stand still, but all I wanted to was to turn around and kiss him and guide his hand to my waiting erection. It would take almost nothing for me to come at this moment. “Please,” I whispered, not even knowing myself if it was a plea for him to stop or to continue to tantalize me.” - From the short story “Seduced by a Dandy” An extract from the story: “Clearly he had no manners at all! Norbert sneered. But then again, what could anyone expect? Living at the edge of the wilderness in the middle of the remote Scottish Highlands, civilisation, industrialisation, and good polite manners must be impossibly far away. Norbert clenched his jaw tight.

The sooner I can finish the job here and get back to Manchester, the better! Nothing in the world would persuade Norbert to do anything rash or imprudent, although a small part of him was—against his will and his better judgement!—rather attracted to the rough highlander in a way he could not entirely explain.” - From the short story “The Highlander’s Secret Desire” “William froze. It was one thing to know that his closest friend had a taste and preference for gentlemen; however, it was an entirely different matter to stumble upon him and

another man together, only half-dressed and kissing each other deeply while tearing at each other's clothes. A soldier's uniform jacket lay deserted on the ground together with Robin's dove-grey waistcoat and silk shirt. He knew that he should leave as discreetly and quickly as possible; however, William found it impossible to take his eyes off the two men and swiftly hid behind a stone column." - From the short story "An Extraordinary Evening" Product details: Category: Gay Victorian Romance and Erotica Format: Kindle eBook Written and published: 2014-2017 Length: ~ 130,000 words (approximately 325 printed A4 pages) Proofread by Pauline Nolet Publisher: My Secret Quill About the author: Lady T. L. Jennings is a shy writer who loves the Victorian era and afternoon tea.
