This is the story of Jaycee McGinty. While finding herself in a slump a year after her grandpa's death, she meets Rocky Jennings and believes he might be the person to help bring her back to life after her loss. But as soon as she begins to hope and slowly wake from the nightmare of Grandpa's death, she wakes to another nightmare. Rocky is not at all who he appears to be.

She suddenly finds herself fighting not only for her own life but for the life of her family and true love as well. Jaycee has courage and determination, but will it be enough to end the danger or will she have to end it by allowing Rocky to end her?
