He'll risk his heart to save her soul. As the war between the Fates and the resistance rages on, Colin Murphy—bastard son of Hades—finds himself caught between his loyalty to Eros and a past that threatens to destroy him. Pursued by Persephone's bounty hunters, and with a pissed-off daemon to contend with, there is one thing that Murphy knows for sure – Hailey, the human he now shares his mind and body with, is innocent in all of it. She is a firefly flickering in the darkness of his black existence, and he will do anything and everything to protect her. Hailey was groomed to be a socialite, with her entire future mapped out for her. Nothing could have prepared her for the abrupt ending to that life—or the impact of living in such close, intimate confines with a forsaken son of Hell. He's powerful, he's dangerous...and he's her only hope of escaping the dark forces that pursue her. Boundaries will be tested, loyalties questioned, and hearts pushed to the limits in this action-packed paranormal romance that continues the epic Blood of the Custodians saga by Sharonlee Holder. This steamy, fast-paced paranormal romance series by Sharonlee Holder is perfect for fans of the Black Dagger Brotherhood series by J.R. Ward and Sacrificed to the Dragon by Jessie Donovan.
