WARNING! This story contains Man on Man Sex. If Gay Sex offends you, DO NOT read.

Otherwise, enjoy! Sam has known he was gay since he was 13, but it was the death of his friend Jake that really changed everything in his life. Years later, Sam is a firefighter who is good at his job and has successfully moved up the ranks.

But no one knows he is gay. At a bar he always frequents, Sam meets the owner, Max. It's clearly lust at first sight, and the night ends with Sam inside Max's apartment- and inside his ass. And Sam doesn't want to get involved any more than that. He just wants a fuck. But Max is different. He gets Sam to unload his burdens, even about Jake. But when Max admits that he's falling for him, it only confuses Sam, who pushes him away. Will they find their way to each other? Can Max finally be the man who burns through the walls around this fireman's heart? This story is also known as "Fire"
