When Kelly goes away on business, Alicia is left to take 'care' of her husband Shane. But when her own husband Ben invites Shane over to spend a few days with them? The trio engages in a nonstop weekend sex-fest that culminates in fulfilling Alicia's ultimate fantasy: an MFM double penetration threesome. Enjoy non-stop action and dripping hot sex as Alicia services TWO willing husbands for an entire weekend. The sex is intense on this white-knuckle emotional roller-coaster ride as Alicia is ganged, tag-teamed, spit-roasted, and finally DP'd until she can barely walk away from her marital bed on two shaky legs. Trading Partner Stories Volume 3 features every sordid detail of the emotional ride experienced by first-time swingers, wife sharing, and partner swapping. Each tale drips with hotwife, hothusband action, MFM threeway sex, borderline cuckold themes, voyeurism, orgy play, dirty talk, and the exciting re-telling of swinger encounters as the husbands and wives, boyfriends and girlfriends, are ultimately reclaimed by their loving partners.
