Reggie Mitchell has been sitting at the end of the bar in the Sunset Club waiting for Mark Randall to see him as something other than a customer, so when it's Mark in trouble, Reggie steps in. Reggie Mitchell has been in love with Mark Randall for close to two years but Mark only sees him as a rich college kid trying to go slumming with a bartender. Then Mark gets in trouble helping Reggie's friend Bobby. With a violent ex-lover threatening Mark, Reggie offers Mark the safe haven of his basement apartment. Can Reggie convince Mark that his safe haven is his arms instead? □□□
