From debut author Helena Rac, a sassy, sexy comic tale of second-chance romance and the many uses of icing. Tessa loves cupcakes. They're tasty and comforting, and they've made her bakery a success. Men, on the other hand, are unreliable jerks who are bound to break her heart. Even if they're hot enough to melt her frosting. Tessa is smitten with Luke after a than graceful encounter on the streets of Chicago, and fate keeps reuniting them. She's certain he'd be delicious in bed, but there's just one problem: Tessa's sworn off long-distance romances, and Luke lives in London. Besides, he's proven himself to be bad news. Although Tessa's sexy stranger swears to set aside his player ways after she carries out sweet revenge, she's far too smart to believe in happily-ever-afters. Luke will need to use every weapon in his arsenal - including a spatula or two - to convince Tessa they're meant to be together.
