Warning: This tale is for adults 18 and up. Beyond the veil of the normal world, the paranormal and supernatural lurk, kept in check by those who fight the growing shadows.

Kira felt she wasn't like everyone else. When cruel fate comes to her doorstep, she discovers a dark part of her spirit as it lights her soul with azure flames. Lucas rides the lost highways, chasing his father's ghost and discovering a legacy left behind of honor and hunting monsters.

Selena carries with her a dark gift, given to her from a shadowy lord from another realm. While attempting to hunt down demonic forces, she must contend with the impulses of her dark gift, an inner spirit that desires the seductive touch of the dead so they can be sent to their final resting place. All three unlikely champions of light come together to hunt a demonic biker gang blazing across the states and discover the mystery of the fabled Tower Falls, a place where monsters shun and the dead fear. Can Kira, Lucas and Selena overcome their pasts as they futures merge on a desert road to darkness.
