Frontier Destiny Book 4 and 7 in the First Mountain Man series. Preacher, The Epic Continues. Omnibus edition. A man learning as he grows, and fighting as he learns, Preacher builds a frontier legend in two classic bestselling novels in one: *Forty Guns West* and *Blackfoot Messiah*. *Forty Guns West* During a trip back east for a family reunion, Preacher's wrongly accused of murdering wealthy landowner Elam Parks—and there's a \$5,000 reward. The fortune in blood money has dispatched a small army of bloodthirsty bounty hunters, and Preacher can't think of a more scenic place to pick them off, one by one. *Blackfoot Messiah* A messiah shall lead them . . . to an early grave. In the Wyoming wild, Blackfoot warriors prepare for battle, their bloodlust stirred by a legendary prophet promising victory in a war that will forever rid the plains of the white man. To legendary mountain man Preacher, it isn't a promise—it's a threat. But being out-numbered in a savage frontier means justice will be as hard-earned and uncertain as . . . survival.

With a loyal Cheyenne as his guide, and a spirited Dragoon squadron for cover, Preacher forges up the treacherous Santa Fe trail. But the only way to win this war is to unmask the hell-raising Messiah whose godforsaken message is leading a desperate people into certain massacre. . .
