The Elvenshore Series continues with the next generation in the Curse of the Druid King . The Valkyrie Prince, being the first male born in four hundred years, sets out to prove his manhood. He follows his quest of a thousand mile journey that brings him to the land of the Valkyrie's first inheritance. But it is a land on the verge of war. The Prince finds that he is hunted day and night. The King of the land wants him dead but the enemies of the King want him to complete his quest. Either way, the land will never be the same again.
