She was a part of my past I could never let go.

We were the worst match possible. A billionaire felon and a detective. Lovers. A joke born into life. Anne deserved better. I'm not good for her. Never will be. I'm a collector who revels in his possessions and doesn't shy away from breaking the law to keep them. So whatever game fate was playing when they pushed Anne and me together, years ago, I'm back in. Anne needs me. More than she knows. She needs me to help with this case. She needs my shady associates. And, most of all, she needs my long, thick, satisfying... expertise. There's just one piece of the puzzle she's kept from me... my daughter. Blood is blood. I want to be in my kid's life. Whatever it takes. I may have a black soul, but I'm all about redemption. I'm going to find this killer and prove myself to Anne. And if I survive this, maybe we can try our luck again. Try the family thing. A foolish crook can only dream...
