This is the second book of the 'Touch', series by Lucia Jordan. Written with her signature style of high passion, emotion and great sex. This edition also contains 'Touch Book 1: Passionate Encounter'. Kelly can't stay away from Michael Adams even though he's her boss. When he tells her he wants her to go to a BDSM party with him she isn't sure what to expect but once there she finds it to be even more exciting than she thought it would be. Michael's ex also appears, the jealous and vindictive Lolita, who will stop at nothing to get her claws back into Michael. Be warned that this ebook contains very hot and explicit descriptions of erotic activity, BDSM themes and submissive training.

Only mature readers should download this book.
