If you were a child couple absolutely desperate for a family of your own and were offered a little blonde girl for £15,000 with no questions asked, what would you do? That's the dilemma facing DCI Luke Stevens, who already knows that once that little girl reaches puberty she will be snatched back for the sex trade, and there is absolutely nothing the couple can do, nobody they can turn to. This is 2012 and Stevens knows this awful trade in innocent children is about to start again in Skegness in the height of summer just when officers are being dragged away to help out at the Olympics. To make matters worse one of his team gets a call about a Lincoln University student found dead in a ditch, a crime that will be linked to another female on the internet determined to kill herself, and a man whose girlfriend was murdered in cold blood in Lincoln High Street. * Amazon Kindle/British Detectives, Number 5, April 2014
