Was there nothing that would please this man! It was love at first sight when Eden landed at the tropical Australian cattle station on the Carpentaria Gulf.

She knew she wanted to stay forever. But Eden quickly learned that only one person at Arrunga River Station did the hiring Court Buchanan, not his stepbrother, Alick, who had offered her the job as tourist manager. And even when "the Boss" consented to a trial period, Eden began to wonder just what it would take to win this man's approval!
