The teenage life is hard enough for everyone. For Rose and her best friend Shane, life gets even harder. Life gets harder for everyone in the town of Lithia Springs, Georgia. With a population under 3,000, rumors travel fast. A death almost shatters this place. This death will change people's lives for better, and for the worse. Secrets will come out of hiding, true personalities will show, and someone's life will change forever. What you see isn't always what you get.
