What would you do if you woke up next to a ripped, hot stranger? What if you couldn't remember your name? What if you didn't trust him, but he was your only link to the real world? Patience struggles to find out who she really is with the help of Thunder, a man on the wrong side of the law.

One motorcycle club claims her, another MC wants to out her, and all she wants is the truth. What would you do if you could start all over, again?
