Sought-after designer Dena Fishbein—winner of 17 Louis awards as well as the Greeting Card of the Year Award—applies her distinctive signature style and passion for embellishing to the popular subject of cards, tags, and paper crafts. Here are fresh and fabulous ideas for birthdays, welcoming a new baby, holidays, weddings, and gift giving. Sweet little paper dresses adorned with ribbons, buttons, silk flowers, and beads can become either tags for packages or design motifs on cards. Cute and colorful animal faces have real child appeal for a kid's present. Other designs come shaped like cupcakes, teacups, towering layer cakes, flowers, moons, stars, and more—and they're beautifully embellished with everything from ball fringe to glitter. Includes designs for readers to color copy. A Selection of the Crafters Choice Book Club.
