TIMBER: A Bad Boy Romance Jax I've been called wild. Dirty. Untamed.

That's because I'm a man. And that's the way I like it. Women like it too, they're just usually too scared to admit it. I moved to the woods to get away from the bullsh*t of the city. People there don't understand a man like me. I carry an axe and I chop down trees. I work hard, and my hands are as calloused as my heart. And nothing is gonna change that. Harper I was raised to believe in true love and commitment. And that when you make a promise you should keep it. Of course, I never expected my fiancé to break things off a week before our wedding. I had to get away from the city; it holds too many memories. And right now, I just want to forget. So I ran to my uncle's cabin in the woods. I'm locking myself away until I can figure out a way to move on. I never want to see another man again, especially one who doesn't understand a woman's fragile heart.
