Hard in more ways than one... There is nothing like an arrogant alpha male prick to get my juices flowing, but these a\$\$holes never last.... until Rick. It turns out he's the baddest of them all - a married mafioso with a sordid past. He arouses in me feelings of deep wanting that melt me from the inside out. Then I find out I'm pregnant..... F&\$ck. What happens now? Will this baddest of all bad boys give up his ways and love me and our baby? WARNING: You'll need a change of panties. You're welcome!
