At the end of 'The Reunion', Marcus and Kim found out that their brother was alive and being held at an enemy base. While planning their rescue mission, they also learn that Haven is being threatened by the Jackals. Facing this difficult decision, they proceed on a path that will ultimately change their lives forever. 'The Raid' is packed with explosions, raptors, Jackals, and even a little bit of space history. Will Marcus be able to defeat the Jackals and make it to their base to save his brother? Will Marcus and his group ever have peace in their Haven? Find out in 'Tomorrow's Past: The Raid' the fourth installment of the continuing series 'Tomorrow's Past'.
