Episode 5 of 6 in The Billionaire's Contract. Rafe Garrett is NYC's most talked-about billionaire—a ruth negotiator, too handsome for his own good, and a man of ... particular tastes.

Investigative reporter Ainsley Dumont has landed the assignment of a lifetime: prove that Rafe is behind the crooked development deal that's threatening to ruin the careers of some of the country's top political figures—including the President himself. But as Ainsley gets closer to Rafe, sparks fly, and she has to balance her assignment—and her ethics—with the urge to forget who she is and be what Rafe wants. And what Rafe wants is so far outside her experience, she might lose herself ... but it just might be worth it.
