Ashley is successful and has everything in life. At 36, she's beautiful, independent, funny, and is the CEO of her own cosmetic company. Ashley is now in trouble - more than ever. Her whole world is about to collapse. She had made a mistake - a huge mistake that might cost her more than she's willing to lose.

The chemistry with Valentino is undeniable, and they become more and more intimate... until Aaron comes back to her life. Reader Advisory: this is a 12,000 words erotica short story intended for ADULT readers. It contains explicit language and graphic sexual content (anal sex, oral sex, multiple penetrations).

Heat rating: hot, steamy and mouth watering! ;) Steamy Excerpt: My heart was literally melting. It couldn't be true – Aaron was showing me his feelings! It was unreal. "I missed you too, honey. Come here..." I took him in my arms and he rested his head on my chest.

He looked more attractive than ever. I liked his dominating and elegant attitude, but I was also completely charmed by the way he opened his heart to me, without trying to look stronger than he was. "Follow me." I stood up and took him by the hand.

I wanted him to be in my bedroom.

I wanted to be in bed with him and share this moment of intimacy in the right environment. I lied down and he came on top. I caressed his head and he approached me to give me a delicious, sensual kiss. I was moaning. "Mmm... I love when you kiss me like this. Give me more." He kissed me again, gently sucking my lower lip and pressing his firm body against me. He was warm and strong. I could feel the bulge of his cock growing bigger and bigger. My God, I loved his cock... He had the perfect size for me and I couldn't wait to feel him again.
