While the kids in his neighborhood fantasized of pitching or playing the outfield in Fenway Park for the Boston Red Sox, Michael Tazinski dreamed of playing rock concerts to sold-out audiences at the Boston Garden with his band The Brain Drainers. “Let’s just say my dream of making it big ended a long time ago,” he tells DeCamp, an odd individual who appears to be tracking his every move. In “As Luck Would Have it” the superstitious “Taz” tells his story of life on the road as he delivers a secretive government load. Along the way he meets some influential and peculiar individuals who remind him that you never know when things will turn around, could even be today...
