Fall on Your Knees By: Lisa Henry and J.A. Rock Asa and his longtime partner, Javier, are looking forward to a cozy, kinky Christmas together. But when Asa discovers his coworker Drew has nowhere to go for the holidays, he invites Drew home for dinner. His motives aren't entirely pure: Asa and Javier are both dominant, and occasionally arrange one night stands with submissives.

Asa's been hot for Drew for months, even though he has no proof Drew is kinky. Drew has wanted Asa since the day they met. Drew could never come between Asa and his partner, but it doesn't stop him from fantasizing about belonging to Asa. About letting Asa do filthy, painful, incredible things to him. He accepts Asa's dinner invitation reluctantly, not eager to witness Asa and Javier's domestic bliss firsthand. When Javier discovers Drew's profile on a BDSM site shortly before Drew's arrival, the game changes.

A bold proposition leads to Asa and Jav sharing a night of play and passion with a dinner guest who's nowhere near as innocent as he looks. But as their not-so-silent night progresses, all three find themselves on shaky ground. Can they keep this no strings attached? Or is there a way for each man to get what he really wants for Christmas? **Shepherd, Wise Man, and the Little Drummer Boy** By: E.F. Mulder They were as close as brothers, but hadn't seen each other in a long time. The moment Shep sees Zeke again, standing there in his

army fatigues, he wants to strip him out of them. Shep's trying to salvage a toxic relationship, though, and giving into his desires for Zeke doesn't feel right to do. And even with Shep's abusive ex gone for good, he still wants to wait. When he and Zeke meet CJ by chance, however, CJ's bold, brazen attitude lead to a sexual invitation they can't resist. Before Shep can say "three-way" he's lying beside the two, naked in CJ's bed. The next morning, there are four of them. It seems like nirvana at first, but several partners engaged in sex is one thing; more than two to a relationship turns out to be something else. Shep has feelings for Zeke, and when it became obvious Zeke and CJ have feelings for each other, Shep's uncertain as to where that leaves him. He finds out quickly, and very soon discovers, that three might just be his lucky number for the best Christmas ever.
