The Chase is part 3 of The Lost Pack paranormal serial romance The Lost Pack by NY Times bestselling author, Dawn Michelle. CJ is back. Back in Evan's life and, thanks to her new outlook on life and love, back in his arms. Everything is going to be perfect, as long as they stay clear of her dad and everyone else out to get them. CJ's attitude isn't the only thing different about her though. She's changing more than her address, she's acting weird. Exciting.

Aggressive. Evan's been chasing his dream girl his entire life, but this is one dream that might be too good to be true. Look for these other parts of The Lost Pack: Part One: Fallen Alpha Part Two: The Hunt Part Three: The Chase Parts Four and beyond: coming soon
